All-in-one Luxury

A new age in room service

The hotplate together with the roll over cover keeps the food warm.

The side drawers are equipped with stainless steel ice trays that keep beverages, salads and deserts chilled.

This luxurious, well constructed room service trolley delivers a full three course meal and wine.

Guests can now serve themselves and enjoy their meals in the privacy of their room with less interruptions from the waiter.

The Self Help Concept:

All the food, beverages and condiments are in reach of the guest so all that needs doing, is for waiter to bring the trolley into their room and set up the side wings.

THIS TROLLEY CAN PUT THE HOTELS IN A POSITION TO PROVIDE A BETTER QUALITY OF ROOM SERVICE... *FOR LOWER LABOUR COSTS WHILST UPGRADING THE HOTEL AT THE SAME TIME.*

○ Ice trays to keep salads/deserts cold.

- Holds a three course meal.
- Wine compartment to keep wine chilled.
- Place for glasses and condiments.

- Low maintenance.
- Ice trays and lids are easy removable for cleaning.
- Strong construction for years of use.
- Big diameter wheels makes it easy to push on any surface, wheel mounted on center of frame for easy maneuvering.
- Beautiful wooden finish, no need for table cloths.
- Patented.
- Tested by 8 leading hotels with good feedback from hotel staff and guests.
- Manufactured in the Republic of South Africa.

- The heated hotplate keeps it's temperature up to 20 minutes, giving service staff sufficient time to bring the trolley to the guest's room where after it can be plugged into an electrical socket.
- Food is easy accessible to the guests.
- The self help concept gives less interference from service staff, giving clients more privacy.
- Dirty dishes are placed back into the drawers and covered by the lid, the trolley can be pushed back into the kitchen looking clean and presentable passing through public areas.

Also... Function / Snack Trolley:
Conferences • Weddings • Parties etc.
